OLD/UNFINISHED BUSINESS

1. On going problem with the Wild Flower Show storage. This has not been cleaned up outside of the building. Don and Bill will go thru junk and get rid of all that can not be used. Bill Scheufele again suggested that we should we ask them if they would like a new small storage building. Bill (as our exploratory committe) will contact them to see if they are receptive to this idea.
2. Roof report - The roof is done except for the small storage roof behind the annex building. Jack Skalos picked up the trim to finish the metal part of the roof and we need OSB board to help with sheathing. Bill reported that the continuous gutters will cost an est. \$1800.00 which will go up next.
3. Reader board - Material has been purchased to finish this and Wolf Creek Job Corp is working on it.
4. We need helpers for the building cleanup (inside) around the middle of September. Marty at Job Corp will be contacted to see if they would paint the inside ceiling, walls etc..
5. We still need a good calendar update for the rental of the building so everyone is aware of dates available. We still want renters to see Lois Spence if problems arise.
6. Floors - Bill Scheufele has priced a material at Floor by Design in Roseburg for a material for the floors. It can be put down over the existing floor with a cost of the material of \$2.50 sq ft and installation for \$1.00 sq ft. Members were wondering if the material would hold up with table and chairs being drug on the floor which happens. Dom Mosca will go look at the product and report back.

NEW BUSINESS

1. Bill and Sandy Roberts were going to address the Club but Bill was ill. They were

discussing the Graffetti Weekend and hoping that the Community Club would get involved. It was suggested that the cars to be parked on this side of highway and motor cycles on the other. Hopefully they will be here at the next board meeting to discuss ways that we could be more involved.

2. Estate sale will be on Sept. 7 & 8th here at the Community Club with Susan and Donnabelle making the sales. The club should receive 20% of the gross sales with their help.
3. We will discuss with Colleen at Glide Threadworks if they can make a garage sale/estate sale sign and report back.
