## **OLD BUSINESS**

- 1. Susan will meet with Cheri Groves with another club member, to discuss removing items in the storage cabinet in the back of the building. In regard to the new rental rates, the board also decided that current long term existing rental clients should be afforded special negotiated rates bound on previously established agreements. This is not to say that we should net take the initiative to cover future operating cost increases. These agreements should be reviewed annually.
- 2. There was no report on the Wild Flower Show storage shed at this time. Patricia Gilbert was not at the meeting.
- 3. Our refreshments for the Graffiti event will be ice cream, pepsi and water. Umpqua Dairy will provide a freezer to dispense ice cream from and we will get a couple tanks of pepsi from the Pepsi Co. We'll also have to have ice and Susan will check with the Whistlers Park store for availability.
- 4. Linoleum to be installed within two weeks. Floor Brokers will also check on the material to replace the counter tops.
- 5. Jack Skalos is still out of town but when he returns Susan and Jack will write a new grant for a new refrigerator, stoves and new windows.
- 6. Susan will call the electrician to replace the fan, the rolled up wire on the back wall and install the new exit signs.
- 7. Jerry, the new floor installer, is to deliver to us the cleaner that we can use on the floor.
- 8. We still have to clean the walls and move some books back, etc.. Hopefully this can be scheduled the week of the 14th. I will e-mail members to get some help when we have a firm date.
