

Glide Community Membership Meeting

Meeting: August 19, 2014:

The meeting was called to order at 7:31 P.M. by President Don Kidd. There were 11 community club members present.

The minutes from July were read. Treasurer's report was given at board meeting.

New Business:

Kitchen at GWS: It was brought to everyone's attention that if the individuals doing the kitchen for the GWS are not directly affiliated with the GCC or the GWS, then they need to provide proof of insurance covering them for liability in selling food items. Renters who use kitchen facility need to have certificate of liability saying they are responsible and owner of building is not if a liability issues arises from the sale of the food.

This situation directly involves Dennis Moore and his claim that he and his sister are solely responsible for the kitchen during GWS. There is nothing in past minutes saying that it is Dennis and his sister's function. The GCC took it over from the VFW in 2006. The kitchen has been a main fund raiser for scholarships given out by the club and so it is a club responsibility. This needs to be a matter of future discussion.

Insurance Rep: GCC's insurance rep, Rick Collins, from Umpqua Insurance Company would be willing to come and discuss liability issues with the members. It was decided to wait until later to see about having him come.

Meeting adjourned at 7:55 P.M. Next meeting September 16th.

Respectfully submitted, Julie Engler, Secretary _____
