

Glide Community Membership Meeting

Meeting: January 20, 2015:

The meeting was called to order at 7:03 P.M. by President Don Kidd. There were 12 community club members present and one guest.

Minutes were passed out and not read. Treasurer's report was read at board meeting.

Old Business: None

New Business:

Door Keys: Bill said we need to have better control of the door keys. It turns out that list given to the secretary (which she thought was correct), was not because after original keys were made, another ten keys were made and there is no accounting for those keys. It was stressed that we not only rekey by doing a whole new cutting but that the keys be signed out. Also, it is important that no one be allowed to have new keys made without the permission of the whole board. The majority of board members did not know about these 10 extra keys.

Nan moved that the locks be rekeyed and that a system be devised to have better accounting of them. Everyone seconded. Motion passed.

GWS Kitchen: Nan brought up the kitchen and what was to be done about it this year. In the board contract with the GWS committee, the board agreed to make sure there was food provided. Nan was suggesting we get on top of the issue and not wait until March which is only one month and 2 meetings before the GWS. This is the 50th Anniversary of the GWS and so we want to do an extra special good job. This will be discussed further.

Meeting adjourned at 7:26 P.M. Next meeting February 17, 2015 and will be the election meeting and doors will be open at 6:00 P.M.

Respectfully submitted,

Julie Engler, Secretary _____
