August 18, 2015**

President Don Kidd called this meeting to order; there were 4 members and 7 visitors.

Minutes: The July minutes were approved.

Since all members present had also been present at the Board meeting immediately preceding, these issues were not repeated:

Treasurer's Report:

Committee Reports:

Unfinished Business:

New Business:

Stu Carlson as ScoutMaster of the local Boy Scout troop brought forward a concern regarding the BSA policy change nationally on acceptance of homosexual leadership, which was effective August 12, 2015 and has been published in national media. According to our agreement with the Scouts, we as chartering agency can be asked to review applications for leadership and sign for same, accepting the application; Stu has never asked us to do this as applications were handled internally. He is now asking the Board to review and sign these applications and is asking us for a decision by the December meeting. His alternative is to find another sponsor if we choose not to review these leadership applications and, by signature, accept the applicant. The local churches have more leeway to ask personal questions and make decisions based on broader basis with regard to discrimination.

After much discussion and comments by Scout parents and others in the community, Don asks the Board to read the packet given us by Stu and be prepared to vote on this issue at the next Board meeting.
