

**GLIDE COMMUNITY CLUB
MEMBERSHIP MINUTES**

January 17, 2017

President Donal Scott called this meeting to order at 7:25 PM. There were 6 additional members present. The minutes of the last meeting were approved as read. The Treasurer's report was read at the Board meeting.

Unfinished Business: Stu Carlson reported that the Food Basket Project was accomplished; over 300 people received some resources. There was a total of \$32,410 donated from the Community and other resources. The use of the facility-Glide Community Center Annex and parking areas, worked well but might have been difficult if there had been much rain. Current plans are to ask to use these same areas next year for the Project, principally from November 17 to December 17. It was the consensus of the Board that there would be no problem. Stu is considering proposing to the steering committee that all the families who receive assistance from this program pay dues to GCC or consider giving back in some fashion. And that GCC could sponsor some activity related. This idea will be explored. The firewood of concern near the Scouts storage area is gone.

Donal and Stu will work together to catch up on the paperwork regarding our sponsorship of the Boy Scouts: needed are copies of the Scouts accident insurance plan; Charter; a roster of their 2017 registered membership; a copy of the Boy Scout agreement with the Community Club and a copy of the Troop evaluation.

Meeting adjourned.

The next meeting is the Annual meeting on February 21, 2017

Nan Smith, Secretary
