

**GLIDE COMMUNITY CLUB
MEMBERSHIP MINUTES
January 16, 2018**

In attendance were three members in addition to Board Directors and all had been present when the minutes and treasurer's report had been read at the Board meeting.

Unfinished Business: No individuals have indicated they are considering running for the Board, however there are several possibilities. **Dianne** suggested that a series of small articles might be submitted to the local newspaper to attune community members to what issues the Board was working on, reminding them of the meetings, and mentioning any accomplishments achieved. She also suggested that there may be individuals who would consider working on Committees who would take over some of the duties of the Directors but were unwilling to be on the Board itself. We will take these suggestions under advisement.

New Business: None

Announcements: Next meeting is February 20, 2018.
