

**GLIDE COMMUNITY CLUB
BOARD OF DIRECTORS
September 18, 2018**

Vice President **Don Kidd** called this meeting to order at 6:30 PM; all Directors except Donal Scott and Susan Flury were present for a quorum.

Minutes: The August minutes were read, typographical errors being corrected by Secretary **Nan** as she read them. There was no objection to their approval

Additional Agenda Items: Community resident **Bjorn Vian** would like time on the agenda; member **DonnaBelle** Jones would like to ask the Board for money for the community Halloween party.

Treasurer's Report: Was read by **Helen** and hangs on the bulletin board of the Community Center: Income was \$1,149.00 and Expenses of \$491.94 leave a checking account balance of \$42,780.22. The Bingo games did very well last month, adding \$789.96 to that account for a total of \$21,648.62

Unfinished Business: **Jim Smith's** wife has been seriously injured and he has not made any headway on bid accumulation for the paving project. We will send a card.

New Business: Visitor **Bjorn Vian** is considering making an annual donation to the Community Club and asks what community projects we might pursue if this materializes. **Bjorn** says that Glide High School and the local communities were good to him during his youth. Two projects he would like to see happen are extending the community water system up to Idleyld Park and scholarships for vocational students at Glide HS. The Board and members present discussed some possible projects, but we have no immediate plans for large community projects; however we will continue listening for community revitalization opportunities. The extension of the water system would be under the purview of the Glide Water Association.

DonnaBelle Jones requested funds for the children's party at Halloween. **Sharon** moved, and **Helen** seconded that we give her \$150 for this event; this motion was passed. The party will be October 27. Stu Carlson left a message requesting use of the Annex for storage of Christmas Basket containers without rental costs. We are unsure exactly what he wants, so **Donal** will contact him and then contact the rest of the Board.

Announcements/Communications: Next meeting is October 16 at 6:30. This meeting was adjourned at 7:12 in favor of the Membership meeting immediately following.

Nan Smith,
Secretary
