

**GLIDE COMMUNITY CLUB
MEMBERSHIP MEETING
September 18, 2018**

Vice President **Don Kidd** called this meeting to order at 7:13; there were two other members and 1 visitor present as well as four other Board members now including Donal Scott.

The Secretary read the minutes; there were no objections to its approval.

Treasurer's report was read at the Board meeting and is posted on the Bulletin Board.

Unfinished Business: No bids have been received. **Jim Smith's** wife has been seriously injured and he has not made any headway on bid accumulation for the paving project. As recommended, the Treasurer has investigated the request to put some of our savings into CD's or other instruments to maximize earnings. The Board has considered and decided to take no action at this time, due to the looming expense issue of the paving project.

New Business: **Helen Scott**, who cleans the building says our vacuum needs replacing. **DonnaBelle Jones** moved and **Lois Spence** seconded that a new machine be purchased. This motion was passed. **Helen** was assigned this item.

Announcements/Communications: Next meeting is October 16 immediately after the Board Meeting. This meeting was adjourned at 7:22.

Nan Smith,
Secretary
