

**GLIDE COMMUNITY CLUB  
MEMBERSHIP MEETING  
January 21, 20120**

President **Donal Scott** called this meeting to order; the same attendance was present.

The Treasurer's report was read at the Board meeting and is posted on the Bulletin Board.

**New Business:** Six dues renewals or new memberships were issued by the Treasurer. Bob Trusty asked for some clarification of the duties of the members of the Board and indicated he is considering running. Rich Livermore outlined some details about the Booster Club fundraiser on February 13.

There was a group of recent renters who had some concerns regarding the cleanliness of the building and the rental process. They also indicated that there should be more information about GCC membership, meetings and events. The Board will take under advisement a review of the rental process, and outlined the outreach process for info about GCC activities/meetings which included the webpage, Facebook and GCC Board profile there-which is associated with the community, not the Board here, the reader board outside the building, posters on community bulletin boards and information on the Colliding Rivers newsletter. In this unincorporated community, we utilize all the resources we are aware of and there is a significant number of residents who do not use social media. Marlee Holliman, with the Glide Cheer group, offered some social media skills and a possibility of community assistance from her group.

**Announcements/Communications:** There will be no Board meeting in February; the Annual Meeting and elections will be held February 18. A communication from **Stu Carlson**, who is retiring as long-term Scoutmaster of Troup 112 was read, in which he thanked GCC for their continued support over the years and announced that the Holiday Food and Gift Basket program would be continuing under new management. A letter of resignation by Director **John De Groot** was read, wishing us continued success in our mission.

Nan Smith, Secretary
