

**GLIDE COMMUNITY CLUB
MEMBERSHIP MEETING
August 18, 2022**

Call to Order: **Don Kidd** called this meeting to order at 7:20 PM. The same attendees were mentioned in the Board Meeting.

Minutes: Presented by Nan at Board Meeting

Treasurer's Report: **Read by Sharon at Board Meeting**

Unfinished Business:

New Business: Pearl Trusty and Alicia Trusty as representatives of the Glide Cheer group presented their proposal to use bingo sessions as a fundraiser to send this group to Nationals. The session or sessions would possibly be in conjunction with some kind of dinner. Glide Cheer is a 501C3 designated organization. Discussion ensued and the following questions/points were discussed:

- . We have an obligation to the scholarship effort not to dilute our single fund-raising effort.
- . Our license is specific to dates and purpose of the fund; any other effort would probably need a separate license with the State Gaming.
- . We need to be mindful of the bingo machine and board and thus only a qualified individual could be operating it.
- . A permit for any food prep would need to be obtained from the County under their name.
- . We are committed to assisting Glide Cheer, or any other qualified community group in their efforts; thus we could probably allow a free rental for this effort.

We need to consider all the ramifications of this request and will discuss further at our next Board meeting.

Announcements/Communications: Next meeting will be September 15. Mark moved and Sharon seconded that this meeting be adjourned; motion carried.

Nan Smith
Secretary
