

# WALK FOR A WELL

Every 15 seconds, a child dies because of unsafe water

**Runners  
and  
Walkers  
Welcome!**

Walk for a Well will be a family fun community walk-a-thon. The loop is 1/4 of a mile featured on Glide High's new track! Each lap brings us closer to our goal of defeating the crisis of unsanitary water! Please join us as we strive to raise \$13,700, enough for a deep water well in South Sudan.

**Local Prizes**
