April 21, 2015**

President Don Kidd called this meeting to order; there were 12 members present.

Minutes: The March minutes were approved with corrections.

Since all members present had also been present at the Board meeting immediately preceding, these issues were not repeated:

Treasurer's Report:

Committee Reports:

Unfinished Business:

New Business:

. Ants are a problem in the building; Helen reports that the former pest control neither bills us and she is unable to contact him; it is probable that he is no longer spraying for pests. It was suggested she send a letter canceling this service and contact another pest management service; in the meantime, Terro or a honey/borax mix can control infestation.

Next meeting will be on May 19.
