How to Nominate Someone - Using the Nomination Form

- These instructions are for using the form on the next page. If you would rather not use the form, use the "Nomination Outline" page.
- Provide as much information as you can. Don't assume others know what your nominee does. Wow the Selection Committee by explaining what makes this person outstanding.
- Seek information from other people who know your nominee. Make a few phone calls!
- You can type directly into this form and then print it out. To save your work, choose File / Save As and then choose a file location and name you will remember.
- If a box is too small, continue on a blank sheet of paper.
- If your nominee serves the community in more than one way, use a separate form for each activity. Addresses and phone numbers can be omitted on additional forms.
- Hours are important to the Selection Committee. Do not write "Countless" or "Impossible to know." Try to estimate hours per week and weeks per year that the person has devoted to each activity. If you don't know, talk to someone who works with him or her.
- "Tell Us More" is optional, but answers here can make your nominee stand out from the competition. Give details if your nominee has shown:

  - Unique contributions or talents. What does he or she do that no one else does?
  - Leadership: How does he or she take charge or set direction for others?
  - Creativity: What new ideas has he or she come up with?
  - Selflessness: How does he or she go above and beyond?

- One nomination, one nominee! Each nomination must be for only one person. You may submit more than one nomination. To nominate a couple, submit two nominations.
- Nominations must be received by **TUESDAY, FEBRUARY 12, 2019.**

Mail to: Glide First Citizen, PO Box 37, Idleyld Park, OR 97447
or leave in a sealed envelope at Glide Threadworks
